

Creating a Healthy Horsham 21st September 2017 10.00am

HORSHAM Patient Participation Groups (from GP surgeries in and around Horsham town) have come together as Horsham Locality Patient Group to organise a morning event looking at ways in which health service providers are working to improve the health and wellbeing of residents in Horsham district.

The event will focus on:

- Improving Health Service Provision in Horsham Locality
- Enhancing Health and Wellbeing - Why It's Important and How To Do It

Speakers will include:

- GP Clinical Lead for Horsham
- Locality Manager for Horsham Primary Care
- Member of West Sussex CC Public Health Team
- HDC's Health and Wellbeing Manager

Both sessions will include Q and A opportunities

Registration starts from 9:30. Please go to the training reception entrance to the left of the main entrance at the Horsham District Council Offices.

Tickets are available online

<https://www.eventbrite.co.uk/e/creating-a-healthy-horsham-tickets>

If you are unable to book online you can apply for tickets to this event by completing an application form available from reception at Courtyard and Riverside Surgeries.

Please note that the number of tickets for this event is limited and a ticket cannot be guaranteed until a booking has been confirmed by the organisers.
